December 2015

To Whom It May Concern:

This letter certifies that Seung Youp Baek fulfilled certification requirements of the Game and Mobile Media Applications (GAMMA) Program from the Department of Computer Science at The University of Texas at Austin, by completing the following courses:

<u>Course</u>	<u>Course Description</u>
CS 354	Computer Graphics
CS 354R	Game Technology
CS 354S	2D Game Development Capstone
CS 356	Network Computers
CS 373	Software Engineering

The GAMMA Program provides students with a solid foundation in programming for game development as taught by the faculty of the Department of Computer Science. Certification requires completion of a minimum of five courses with grades of C- or better.
